THE WEEK'S EVENTS IN LOCAL CIRCLES

J. W. Weinberg, proprietor of the Redwood City Furniture Exchange, made the first bet of the campaign yesterday when he wagered \$500 with a San Francisco business man that Samuel M. Shortridge would carry the state by 50,000. Mr. Weinberg gave odds of 10 to 8, the prevailing odds in the San Francisco poolrooms. Mr. Weinberg is a lifelong friend of Mr. Shortridge and is working hard for his election.

The Native Sons and the Native daughters of Redwood City have donated to beautiful palms to the first department to be planted on November 6 at both corners of the new fire house. Both parties will be present and with appropriate ceremony the trees will be planted. Speeches will be made by prominent members of the societies and a nice program rendered. The ceremony will take place at 3 o'clock on the afternoon of November 6.

J. C. Dobbins and family, who reside in North Fair Oaks, will leave in a short time for Dinuba, where Mr. Dobbins will engage in the grocery business with his brother-in-law. The Dobbins family has lived in this community for some years and its members are universally esteemed.

J. H. Rupp & Son, who have the agencies for the Essex and Hudson automobiles in San Mateo county, report that they have many inquiries for the machines and hope to do a big business in the county. Their salesrooms in the Gardner building on Broadway are always crowded by admirers of the two cars which are the very best makes on the market. Mr. and Mrs. C. M. Uhlendorf on Wednesday morning received a telegram from Pittsburgh, Pa., announcing the birth of a baby girl at the home of their daughter, Mr. F. J. Irwin, Jr., of that place. Mr. and Mrs. Irwin were married here two years ago. He was an officer during the war at Camp Fremont. Mr. and Mrs. Uhlendorf are proud of their first grandchild and are receiving the congratulations of their numerous friends.

James Cocks, Jr., who recently enlisted in the United States marine corps, was here during the week in the capacity of a recruiting officer. He succeeded in recruiting two Redwood City boys. During his week in Cocks was in the same service.

The Italian co-operative store will move from the Anderson building on Main street to Louis Carrere's place near Five Points next week.

W. W. Beeson and wife of Alameda visited friends here during the week. Mr. Beeson was formerly in the blacksmithing business in Redwood City. He disposed of his ranch in Sonoma last year and has purchased a home in Alameda, where he is enjoying the fruits of his industry.

H. C. Tuchen and H. W. Schaberg returned last Saturday from Fresno, where they attended the annual convention of the inheritance appraisers of the state. There were 110 appraisers in attendance. Mr. Schaberg and Mr. Tuchen speak in glowing terms of the hospitality of the people of the thriving city. A solemn requiem mass was said for the repose of the soul of the late Rev. John J. Sullivan was celebrated at Mount Carmel church on Tuesday morning last. Rev. John Cottle, Father Sullivan's classmate at St. Mary's College, gave the mass. The edifice was crowded by many friends of the deceased.

Mr. and Mrs. George Mulcahy have sold their Broadway candy and notion store to James Warden of Oakland, who will take possession of the business on next Monday. Warden has purchased the Sears property on East Broadway street and he will move his family there next week. The sale was made by Lambert & Walter, born in Redwood City on October 9, to the wife of George C. Christ of this city, a girl.

On October 23 the stork left a baby boy at the home of Mr. and Mrs. A. E. Neill, 231 Hamilton street, Redwood City.

The food sale for the benefit of Mount Carmel church will be held in the Flynn-McGarvey building from 12 o'clock to 6 o'clock. It will be in charge of Mary Winn and Mrs. Joseph McLaughlin. Home-made pies and cakes, bread, doughnuts and other delicacies will be offered for sale. Come and get your supply of these toothsome viands for your Sunday dinner.

You can help. Young people's meeting at 6:30. The public is cordially invited.

FISHER 'FICIATES' AND GRIFFIN IS POOR FISH

Judge Fisher of San Mateo "put one over" on Judge Griffin Wednesday. This is how it was done. William H. Hainsington, aged 38, of San Francisco, and Miss Edith C. Passarino, aged 28, Headlandsburg, secured a marriage license and went to the district attorney's office, believing that official could perform the ceremony. Mr. Werder, who was in the office, told them that Mr. Swart could not tie the knot, but Judge Fisher, who happened to be present, could accommodate them. Miss Edith Clark, the efficient and charming chief clerk of the district attorney's office, consented to act as bridesmaid and Mr. Werder acted as best man and the nuptial knot was tied hard and fast. The blushing bridegroom handed the magistrate a \$5 bill and that is the amount Judge Griffin would have received. Hence the rub.

COUNTY COMMITTEE MEETS

The county Republican committee held its final meeting last Saturday afternoon at the court house. All arrangements were completed to get the voters to the polls on next Tuesday. There will be workers at every precinct in the county and every effort will be made to gather in all Republicans. Success of the party will depend on getting the voters out. There will be Shortridge workers at each polling place to see that every admirer of the next senator comes to the polls. The county committee has worked diligently during the campaign sending out literature and informing the voters on the issues. They will be rewarded in the knowledge that the county will give the straight Republican ticket an overwhelming majority.

By the terms of a deed filed in the office of County Recorder T. C. Rice yesterday the Tacoma Land Company transfers to W. R. Bartley, M. S. Woodhams, Edward Bartley and R. Bartley a tract of land at La Honda containing 20 acres. It is all wooded and valuable. It is being sold in small subdivisions. According to the federal stamps on the deed it would appear that the sum of \$7000 was paid for the property.

WANT TO BE SUPERVISOR

There is a lively scramble in the fourth township for the office of supervisor to succeed the late Joseph Francis. There are three candidates for the place, Mrs. Joseph Francis, widow of the deceased, Manuel Francis, brother of the late supervisor, and John Kyne, an old pioneer of the coast side and father of Peter B. Kyne, the short story writer. The names of the candidates will be written in on the ballots by the voters. The name of the dead supervisor will also appear on the ballot.

REV. C. E. KENNEDY CHOSEN FOR MOUNT CARMEL

During the week Archbishop E. J. Hanna appointed Rev. C. E. Kennedy pastor of Mount Carmel church. Father Kennedy has been the assistant pastor here for the past ten months and during that time has endeared himself to the people of Redwood City by his religious zeal and earnest work in the cause of religion. He has taken a great interest in the Boy Scouts, organizing them and drilling the boys from time to time. He is beloved by the youth of Redwood City, who see in him a staunch friend.

Father Kennedy is a native of San Francisco. After his graduation from Sacred Heart College he went to Baltimore for his theological studies. He was ordained by Cardinal Gibbons in the theological seminary there. During the war he was the Knights of Columbus chaplain at Camp Fremont. Afterward he was appointed a regular army chaplain and was assigned to duty at the base hospital near Menlo Park.

The people of Redwood City may be congratulated upon his appointment, for he will do much good in this locality. He is popular with all classes, is broad gauged and zealous in his work. No more popular appointment could have been made by the archbishop.

JOHNSON CASE DECIDED

Judge John L. Hudner, who sat at the trial of the case of Catherine Johnson against A. P. Johnson, the aged capitalist of Belmont, rendered a decision in the case on Thursday. The action was brought some months ago by Mrs. Johnson against her husband, from whom she has been separated for 25 years, for maintenance in the sum of \$250 a month and \$1000 attorney fees. Judge Hudner gave judgment for the defendant, holding that the parties to the action separated by consent or contract and that nothing was shown that they had nullified the consent or contract. Therefore he could give the plaintiff no relief. J. J. Bullock appeared for the defendant, while Gavin McNab of San Francisco represented Mrs. Johnson. Mr. Johnson is 86 years old and is reputed to be wealthy.

POSTOFFICE ABOUT READY

As soon as the inspector makes his rounds and places the official O. K. on the construction of Redwood City's new postoffice the handsome edifice will be ready for the government to walk in. Carpenters, plasterers and painters have packed up their tools and everything is practically in readiness for the occupation of the building.

The new postoffice is a fireproof structure, containing a floor space of 3,000 square feet, with particular attention being paid to the natural lighting and ventilation. It has a large concrete vault, inside of which are steel receptacles. Entirely new and up to date equipment will be installed to provide for the convenience of the patrons and to assist in giving the very best service to the public. The postoffice building is one of the most modern of its size in the state. It was designed by R. W. Madden of San Francisco, who has charge of the postoffices in this district. The owner of the building is George E. Graft of San Jose.

NEW PARISH FORMED

Archbishop E. J. Hanna has created a new parish at Pescadero, having carved it out of Halfmoon Bay. The new parish will extend to La Halfmoon Bay and San Gregorio. Father L. A. De Cruz has been appointed the new pastor. He contemplates erecting a new church at Pescadero at once. He is an active young man and will do much good for that district.

Give the Public School Children a Square Deal Vote "Yes" Amendment Number 16

WHY NO. 16 SHOULD CARRY

Proposed constitutional amendment No. 16 has for its purpose the equalization of support for public education. It will increase the apportionments for school purposes derived from the state and county, but it will decrease the amounts contributed by the school districts. This well known injustice of loading so much of the expense of public education on the school districts will be abolished. It will make possible a "square deal" for every boy and girl, whether living in the densely populated and wealthy city or in the rural district with small assessed valuation, far removed from the center of population.

SUES FOR DAMAGES

G. L. Wilkinson, as administrator of the estate of Elizabeth Wilkinson, deceased, has brought a suit in the superior court against the United Railroads for damages in the sum of \$100,000. On July 3 last Mrs. Wilkinson, while crossing the tracks of the company at San Bruno, was run over by one of the cars of the company. She was removed to the hospital at South San Francisco, where she died soon after from her injuries. The complaint alleges neglect on the part of the company. Mrs. Wilkinson was earning \$40 a week at the time of her death.

EXECUTOR APPEALS

William F. Chipman, late executor of the estate of Josephine A. Phelps, deceased, has given notice that he will appeal from the order made by Judge Buck on September 10, denying Chipman extra compensation for services rendered as executor from May 28, 1919 to September 10, 1919. On the latter date the second supplemental account was settled and allowed by Judge Buck without the extra compensation that was a part of the account. The appeal is based upon this order.

A man who votes for Harding and neglects to vote for Shortridge is a non-descript. He would elect Harding president and then tie his hands by giving him a democratic senate.

San Mateo county is the home of Samuel M. Shortridge. Give him a ringing vote. It will pay. It elected it will be Samuel M. Shortridge from San Mateo county, if you please.

Judge W. J. Mossholder, of San Diego, says that all through the southern part of the state, the sentiment has crystallized in favor of Harding, Coolidge and Shortridge.

"Our people have good reason to favor Shortridge for Senator," said Judge Mossholder. "Our prosperity depends upon a protective tariff that will safeguard our products against the importation of foreign goods produced by cheap labor and we know how Shortridge stands. Our people cannot be beguiled by any shams of the democratic party. Shortridge will carry the South by a tremendous majority."

At a recent meeting of the San Francisco Retailers' Protective Association, Harding, Coolidge and Shortridge were endorsed in a resolution calling upon the members to vote and work for the entire Republican ticket. With a membership of more than two thousand, the organization is one of the most powerful in the state. Shortridge, Republican nominee for United States Senator, was eulogized for his stand on the tariff, the League of nations, and the Japanese question.

According to reports reaching Republican headquarters from prominent individuals, including officials, newspapermen and individuals, there will be a Republican landslide in California next Tuesday, November 2, Harding, Coolidge and Shortridge are going to run far ahead of the remainder of the ticket in many districts, but from everywhere comes assurances that in addition to the election of the aforesaid mentioned, three Republican congressional candidates in practically every district will be returned a winner.

AMERICAN LEGION AN 'UNCIVILIZED BODY'

That the American Legion is an irresponsible, uncivilized body, is the charge made by the editor of a Japanese newspaper of the Pacific Northwest, in an editorial published October 1st, which translated reads, in part as follows:

The action of the American Legion in opposition to the granting of citizenship rights to Japanese residing in America may be proper as regards people who have not entered the country, but reason and law demand that protection be extended to persons legally admitted and residing in the country. Hence America must fully protect us from persecution.

In order to secure this necessary protection, one way is to grant us the right of naturalization. It has nothing whatever to say about our protection. It would close the way of protection and stand by as a mere onlooker at our persecution.

Such an organization is an irresponsible, uncivilized body.

HARDING--COOLIDGE--SHORTIDGE

DON'T BE MISLED

"To vote for Senator Warren G. Harding with one vote and to vote for a democratic senator with another vote is but a betrayal of Harding for with the one vote the voter approves of Harding and indicates his wish that Harding shall have control of the government and put into effect his policies and with the other vote for a democratic candidate for the senate the voter votes to cripple Harding and prevent him from putting his policy into effect, to take away from the Republican party upon which Senator Harding must rely for the support of his policies, the control of committees and the majority of the vote in the senate that the Republican party should have with Senator Harding as our president."

Raymond Benjamin, assistant to Will H. Hays, chairman of the Republican National Committee, and chairman of the California Republican State Central Committee, thus emphasizes the necessity of electing Samuel M. Shortridge to the United States Senate from California in order that the next president, a Republican, have the proper support in carrying out Republican policies. Mr. Benjamin's statement continues as follows:

"I want the people of California to know that Senator Harding desires the election of Mr. Shortridge and that by the election of Mr. Shortridge we will insure favor for California of the next president. The decision rests with us whether we will give Senator Harding the control of the Senate so essential to him and thus make sure of his gratitude, or whether we will present the sorry spectacle of being so impracticable as to elect Senator Harding to do the work for us and then prevent him having that instrumentality through which the work must be done."

"The Republican party has a majority of just one vote in the United States Senate today and any untoward accident to one Republican Senator would leave the party without control of the Senate."

"Any person who should vote for Senator Harding should vote for Mr. Shortridge. There is no excuse for doing otherwise and certainly no justification for doing otherwise."

"If the wheels on the right side of an engine are going in one direction and the wheels on the left side of the engine are turning in the opposite direction the engine can but spin around in a circle and get nowhere and this condition would be borne out by having a Republican president and a democratic senator."

"All of the policies necessary to the protection of our state have been espoused by and are the policies that Mr. Shortridge will contend for. For more than twenty years he has been an advocate of Japanese exclusion and has written and spoken on that subject. All of his life he has been a firm advocate for protection of California Industries and production. All of his life he has been a student of history, both national and international and he is a gentleman of scholarly attainments."

"What we want now is 'full steam ahead' with both Republican President and Senate."

CLOSING HOURS SHOW GAIN FOR HARDING, COOLIDGE AND S. M. SHORTRIDGE

At the opening of the last week of the presidential campaign the indications point more strongly than ever to a sweeping victory for Harding, Coolidge and Shortridge. Betting in San Francisco has switched from even money on the Senatorial fight to 10 to 8, with Shortridge on the long end. There is little Phelan money in sight.

The Phelan managers are stopping at nothing short of misrepresentation to stem the Shortridge tide. The recent unauthorized announcement to the effect that the Volstead Act had been interpreted so as to permit the making of two hundred gallons of wine for personal use was a direct appeal to the Italian vote of the state. This statement emanated from Phelan headquarters and gave Senator Phelan entire credit for the modification of the law. Wide publicity was given to the matter in the Italian press.

Now comes an edict from Washington to the effect that the wine making concession was never authorized. In the meantime thousands of Italians throughout the state who accepted the new order in good faith may be subject to prosecution, and

after a heavy outlay in expense and labor their product may be confiscated. A wave of resentment is already apparent and the Phelan managers are making desperate efforts to shift the responsibility for the fake announcement.

HOW CALIFORNIA HAS BEEN REPRESENTED IN CONGRESS

The late congressional record for the sixty-fourth and sixty-fifth congress shows:

Total number of roll calls.....953
James D. Phelan, present 434 roll calls.

James D. Phelan, California, absent 519 roll calls. (Including roll calls on 149 important measures.) This information has been received in San Francisco by the "Shortridge for Senator" Trades and Labor Clubs in response to telegrams sent to the congressional library to learn what Senator Phelan had accomplished and how consistent he had been in his attendance in the Senate.

It is being pointed out here that Senator Phelan will not point with pride to this record of attendance as a reason why he should be returned to the Senate at a time when a Republican administration will be in power. The question is raised by those familiar with legislative procedure that with this record back of Senator Phelan when a democratic administration was in power should not hope to accomplish much with a similar record and with a Republican administration in power.

The congressional record offers no explanation as to why Senator Phelan was absent more than half of the total roll calls during the two sessions of congress.

SHORTIDGE ENDORSED BY SENATOR HARDING

Warren G. Harding has called upon California to commission Samuel M. Shortridge as a United States Senator at the Tuesday election. In a personal letter to Raymond Benjamin, assistant to the National Chairman and Republican State Chairman, he makes an appeal for party unity to the end that the nation may be returned to constitutional government.

Senator Harding's letters in part follows:

"My dear Mr. Benjamin: I have your letter of recent date, and I want to thank you for the opportunity given me to express my personal interest in the senatorial and congressional campaigns in your State."

"The platform of the Republican party as enunciated at Chicago covers a large range of governmental interests and policies. To the carrying out of these policies and a practical execution of the reforms suggested we are pledged as a party and as individuals and officials. I am committed to this program we will need not only Republican executives but a Republican majority in both branches of Congress. We would be helpless to effect our purposes without both. It is my earnest hope that the electors of California will commission Mr. Shortridge as a Senator of the United States. I am assured that he is in every way worthy and qualified to fill the office to which he aspires and for which he has been nominated by decisive vote at the free and open primaries of our party."

"And, it is also my hope that California will send in its congressional delegation as many Republicans, united in our faith, as possible."

This will be the last issue of the Times-Gazette before the election. As a last word we urge all Republicans to stand by their ticket and vote it straight. The candidates of the party are all worthy men entitled to your support. Vote for Harding, Coolidge and Shortridge. Do not scratch a name.

WOODSIDE NOTES

Mr. and Mrs. B. L. Bradley returned this week from Emerald Bay, Lake Tahoe, where they spent the summer months. They will reside here for the winter. Mr. Bradley says the season was the most successful at that resort in the history of the lake.

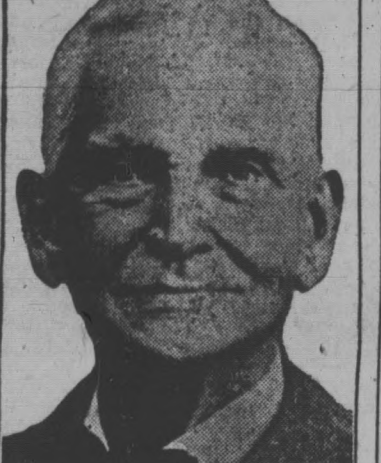

A barn on the J. L. McCarthy place was destroyed by fire last Saturday evening. McCarthy had just returned home from the city parked his automobile in the barn. In a short time the building was enveloped in flames. The automobile was burned before it could be removed from the burning barn. Mr. McCarthy is employed by the Western Meat company at South San Francisco.

103 YEARS YOUNG; HE'S FOR HARDING

"If I should live to be another 100 years old I certainly would never vote for a member of the Democratic party for President or any other national office."

So declares "Grandpa" Albert Vogel, 103 years young, of Jeannette, Pa., who cast his first vote in a presidential election for Polk, voted for Abraham Lincoln and has voted the Republican ticket ever since. Next month he will vote for Harding and Coolidge.

"Tell the country I am for Harding and Coolidge and America first," says Mr. Vogel. "I want no Wilson League."

ALBERT VOGEL

of Nations. President Wilson's outcast and the wastefulness of those he gathered about him as his official family was to be expected. It has been a Democratic trait for years."

"Grandpa" Vogel takes a daily constitutional over streets near his home in Jeannette. Occasionally he preaches a sermon from one of the Western Pennsylvania churches with old time vigor. He started life as an assistant lamp lighter in the Capitol grounds at Washington when he was fifteen years old. He often ran errands for members of Congress and can vividly recall the sequence of Henry Clay and Daniel Webster and other famous statesmen of that period. He saw Andrew Jackson inaugurated in 1829. Later he became a Methodist minister.

EDITORS PAY VISIT TO MARION STAR AND FIND A REAL PAPER

"If President Harding is as big a success as Editor Harding he will go down in history in the Hall of Fame," writes J. Gabbert, of Riverside, Cal., in an article just published on his return from Marion, where he visited Harding's paper.

"We found just the sort of a paper a future President might be expected to edit," says Mr. Gabbert, "and the visit, to us, came nearer to being an editorial conference than a political crusade."

"We found men working for Editor Harding who had been with him for periods varying from 20 to 38 years. We found that Editor Harding follows closely every detail incident to the publication of his paper. He knows what pay the helpers on the floor get, just as he knows the amount he pays his manager. He can handle type like the rest of us, and it would keep my foreman busy to beat him on setting up a stick of 8-point type. He knows how to make up a paper like a veteran and he is just as much at home in the business office looking over the advertising accounts."

A vote for Shortridge is a vote for progressiveness, and advance of California's resources.

"PARTY FACES DISASTER"—GORE

Senator Thomas Gore, Democrat, of Oklahoma, who was defeated for reelection through the influence of the White House because of his opposition to the League of Nations, plainly indicates that he proposes to continue his fight upon the league. The blind senator says:

"The paramount issue is to avert disaster; nobody favors the league that understands it."

"The women of Maine have read it. It is no wonder about the women. It is no wonder about the mothers. They are not willing to mortgage the pound of flesh nearest their hearts."

"They are not willing to sign this bloody bond which is a first lien upon the life of every boy beneath the stars and stripes."

"He was blind indeed who had not already seen the black shadow of the Maine elections visaged upon the horizon."

BACK PORCH CAMPAIGN TO BE BEGUN SOON BY WILSON.

Washington. — Gradually being pushed to the rear by the progress of the canvass it is now announced that President Wilson is to wage a "Back Porch" campaign. The local evening papers announce this fact and say that the plan is being discussed by the Administration leaders. It may even come within a week, some of these leaders believe. Edmund H. Moore, who managed Governor Cox's pre-convention campaign, is given credit for this rear attack on the Harding method of using the front porch.

PESCADERO FARM SOLD FOR \$7000 TO FRANK WEEKS

By the terms of a bill of sale filed Tuesday in the office of the County Recorder T. C. Rice, Frank E. Weeks has purchased from Elias Johan Anderson 14.3 acres of land near Pescadero, at a price said to be in the neighborhood of \$7000.

The property is mostly farming land, of which there have been several sales recently in the coast side district.

HARDING---COOLIDGE---SHORTRIDGE

The Next President.

As certain as anything can be, in this world, is the election of Senator Harding.

To readers of this newspaper, the many family groups to which it comes a regular welcome visitor, Senator Harding's face shines as that of a friend.

Senator Harding, your next President, is your kind of man. You see him, hear a few words, and you know it.

He was born in a small town, has lived there all his life, lives there now, and will live there again when he leaves the White House with his work for the country done.

He lives as you live, simply, in the old fashioned American way.

Millions of men, believing in this country, devoted to its government, SATISFIED with the UNITED STATES, believe that the United States is able to deal with its own problems, and settle its own questions free from outside assistance or interference.

Those millions of men are men of the same sort as Senator Harding.

What Kind of Man.

Harding is a big American in physical size, thanks to vigorous farming ancestors. He is a big American also in heart, in understanding, in sympathy and in simplicity.

You read his speeches and know that he does not imagine himself created to tell all the world what to do. He believes in, and he understands the American people, his friends, the citizens of his own little town, Marion, Ohio, and the dwellers in thousands of other towns like it.

After you have elected him, you will find in Senator Harding an earnest, conscientious, straight thinking servant of the people, not an autocrat, but a man respecting the traditions of American government, and the Constitution of the United States.

Senator Harding understands that the people will elect him to be President of the United States, not President of the whole world. He will know that he is employed by the PEOPLE of this country to look after the interests of THIS country.

Born on a farm, living all his life close to farmers, he knows and sympathizes with the problems of the farm. Living in the average American way, in the average American small town, he knows the problems of the average American. He understands the printers he employs, and he knows their trade and sets type as they do.

His Ambition.

Senator Harding has no ambition to be called a political superman, or RULER of America.

It is his ambition to be known as a good American, a faithful servant of those that trust him.

National politics are discussed this year less than at any election since the republic was founded. Why? Because men do not discuss, to any great extent, that which is DEFINITELY SETTLED.

But it is important that demonstration of the popular will should be of the most overwhelming kind. Therefore the good citizen will do what he can to increase the vote for Harding, should there be any doubtful votes within reach of his voice.

But if you do find one, show him or her this picture of the next President. And express in your own way the reasons that inspire you to approve and vote for him.

What is Senator Harding's outlook upon life? It is YOUR OWN.

The duty of the American, whether he be President or simple citizen, is not complicated in Mr. Harding's mind. He says:

"As I said at the outset, government is a very simple thing, government is only the regulation of our relationships to one another. The government's first task is the protection of the minority against autocracy, or the domination of the majority that sometimes forgets the rights of the minority. 'I am preaching the gospel of popular representative government in the United States, a government that does not know any class anywhere in all this Republic.'"

Women Voting.

Women especially have reason to congratulate themselves on the fact that Senator Harding will be the next President and that the change in the national administration is to be complete.

Their sons are taken in war. Their husbands and fathers are taxed to pay for war. They spend the lonely hours of dreadful anxiety, while the son is away.

They, above all, are interested in having for President such a man as Senator Harding.

He does not believe that foreign powers should be allowed to conscript American boys for war beyond the seas.

He does not believe that a Foreign Council should send to America for men and money to settle wars not of our making.

Senator Harding does not believe that this country should be taxed to finance the ambitions or the land greed of foreign nations, and as he believes, so the earnest men and women of this country believe.

When you cast your vote for Senator Harding, you will vote for YOUR KIND OF MAN, the intelligent, straightforward, unpretentious American citizen. President Harding will be an American President, not an international President.

Like Senator Harding, both COOLIDGE and SHORTRIDGE came from the soil—the one from New England and the other from the West. Both have carried with them into public careers the homely virtues of life as they apply both to the individual and community contentment.

SAMUEL M. SHORTRIDGE, as farmer, blacksmith, teacher, lawyer has succeeded for the reason that no faults of training or thinking have kept him from the forward-looking path of the truly sincere and big American.

SHORTRIDGE knows California and her problems. He knows the Nation's problems in this time of war's reconstruction.

SHORTRIDGE will lose no time in applying himself in the Senate to these problems. He will support Harding and Harding will support Shortridge and California.

HARDING-COOLIDGE-SHORTRIDGE—Three men of today most like most other Americans. They are California's kind of men—they are America's kind of men.

We must have a complete change in the Administration at Washington!

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

William G. Chappell, an old time resident of Menlo Park, passed away at the Huling Hospital in Redwood City last Sunday following a brief illness. Mr. Chappell came to Menlo Park over 40 years ago. He resided here until a short time ago, when he went to Pacific Grove to live. His wife died about two years ago. In 1918 he celebrated the golden jubilee of his wedding and the event was a big one in the lives of the two jubiliarians. The deceased was born in Cornish, England, 79 years ago, but came to the United States when a very young man. He was a carpenter by trade. Mr. Chappell was esteemed by all who knew him. He is survived by two stepdaughters living in Stockton. Mr. Chappell executed a will some time before his death, bequeathing his estate valued at about \$12,000 to Dr. J. L. Ross of Redwood City. The remains were buried at Pacific Grove on Wednesday.

Ex-Governor James H. Gillett of California, representing the Republican party, will meet United States Senator Key Pittman of Nevada, representing the Democratic party, in a joint debate at Stanford University on Wednesday, October 27.

The people of Menlo Park who know Samuel M. Shortridge as a neighbor are going to give him a rousing vote on November 2—it is going to be almost unanimous. Mr. Shortridge's election is now assured by a majority of over 100,000 and it is but proper that his "town home town" should give him a vote that he may well feel proud of for all time.

Mark J. Loughlin has returned from a two weeks' vacation in Portland, Ore. He was accompanied by his wife. Mr. Loughlin is the assistant station agent at this place.

Mr. and Mrs. James L. Flood and their pretty daughter, Miss Emma Flood, will depart soon for Europe to spend the winter months and a portion of the spring. Mr. Flood's chauffeur will accompany them so that they will tour the continent of Europe in an automobile viewing all the battlefields of France and Belgium.

Miss Pearl McCormick has returned from a vacation spent at Gilroy Hot Springs. Miss McCormick is a very charming young woman, having a host of friends on the peninsula.

It is absolutely settled that the public health service hospital just east of Menlo Park is to be a permanent institution. When the hospital was established as part of Camp Fremont the government took an option on the land. Options on 89 acres were exercised last week, the government having decided to become the owner of the land. Options on other tracts, including that on which the present temporary buildings were constructed, have not expired, but will be taken up well within the time limit. It is stated the price per acre paid was \$2,000, which would mean a total of \$178,000 paid up to now, with much more to come. The land taken is eight acres from Ira Merrill's tract, 11 acres from Captain Will Cooley and 70 acres from the Hoag tract.

The land cost, however, is to be a rather small item in the final expenditures on the part of the government. Plans were tentatively considered months ago for the permanent establishment. These call for the erection of several modern buildings to cost about \$2,000,000. In keeping with the structures the land will be laid out in an artistic manner, planted to flowers and shrubs and the whole place made one of the finest in the United States.

The building of the hospital will of course mean a great deal of money brought to Menlo Park by the army of workmen that will be required. Also after the hospital shall have been completed there will be many visitors from elsewhere, both as sightseers and to be near members of families under treatment by government physicians. So in every way it means a tremendous increase in business for this section.

Lieut. M. M. Long arrived here from New York on Wednesday. Dr. Long has been assigned to duty at the base hospital. He served overseas, making a splendid record for bravery.

Mr. and Mrs. Sig Stern departed for their winter home in San Francisco yesterday.

Mrs. Hugh Montgomery left on Wednesday evening for Pasadena to spend three weeks with her mother. The rainfall for the season has been 2.46 inches. This is more than normal.

The Companions of the Forest will give a dance in Native Sons' Hall on October 28. An orchestra provided by the grand officers will render the music. This will be the first function under the auspices of the Companions and they are striving to make it the event of the season.

Mrs. F. G. Linde, nee Roche, will depart for her future home in Taft early next week. Her husband, F. G. Linde, has resigned his position as lieutenant in the navy and has accepted a position as physician for the Standard Oil Company at Taft. He will also engage in private practice there. The doctor was located at a naval station in the orient during the war.

Fred Nessler has a big stock of masks for the masquerade ball to take place this evening in Native Sons' Hall. Get your mask there.

Dennis Gilligan of San Francisco, but who was well known here, passed away at the base hospital last Saturday. He served overseas and had been at the hospital for some time. Harry C. Michael also died at the hospital Tuesday morning. He had a wife and infant daughter living at Palo Alto. They came from Atascadero. Mr. Michael served overseas.

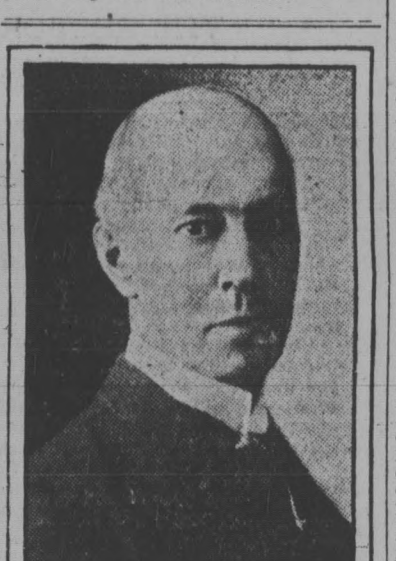

Mr. and Mrs. E. L. Eyre have closed their Menlo Park home and gone to San Francisco for the winter.

Mr. and Mrs. Percy Murdoch, who passed the summer with the latter's mother, Mrs. Walter Linforth, have returned to San Francisco. Mrs. Linforth has also gone to town with them for the season.

Sam Wah, the local Chinese merchant, who formerly lived at San Mateo, was killed by a northbound train at San Carlos Tuesday morning. Wah had lived on the peninsula for 25 years. During the rainy days of the Stanford stock farm Wah peddled fruit there and was well liked. Just how Wah got in the way of the train will probably never be determined. The unfortunate Chinaman was probably attempting to cross the track in front of the rapidly approaching train and became confused. He was badly cut about the head and in some peculiar manner his cane which he was carrying was picked up by the engine and was still on the step of the cab when the train was brought to a standstill. When Wah was picked up life was extinct.

CITY TRUSTEES MET MONDAY

At the meeting of the city board of trustees Monday night steps were taken to turn the municipal wharf back to the Frank Tanning company. Only a few weeks since the board asked the Chamber of Commerce for their views on the matter, in which the Chamber voted unanimously for the early completion of the spur track to the present site and that the city accept the property without any claim for the wharfing of the deed. After considerable discussion it was decided best to turn the property back to the Tanning company.

The P. G. and E. asked for permission to set poles on Hillview avenue to supply current to A. Stevante. On motion the request was granted.

A communication was read from C. W. Cole, stating that a U. S. destroyed will leave San Francisco for Mare Island and requested the mayor and a friend to accompany the ship and inspect the new battleship California. On motion the invitation was filed.

Redwood City Post, No. 105, American Legion, asked for a permit to conduct a dance of November 10 and 20, until 3 o'clock, on motion the permit was granted.

The Farnaciar company, No. 1304 El Camino Real, applied for a permit to hold a 3 o'clock dance on October 23, and a 12 o'clock dance on October 30. It is not customary for the board to grant 3 o'clock permits in the residential district, therefore the permit for October 23 was granted for 12 o'clock.

The Keystone company, a wholesale grocery firm of San Jose, had been delivering their goods in the city without a license, and last week one of the board members asked for a license for the company. The fine was only \$5 and just covered the license fee for the quarter. The same was not rebated.

The League of California Municipalities requested a delegation from the board to be present at their next meeting to be held at Chico on November 8 to 11. On motion Street Superintendent Ed. Dearborn, the health officer, Dr. Chapin and as many of the board as could go, also City Attorney Bert Mansfield were authorized to attend, the city to bear the necessary expenses.

The matter of the water supply came up for discussion and the clerk was authorized to write to the Hetch Hetchy people and ascertain what steps would be necessary for the city to connect with their water mains when the system was completed. It was thought that a better grade of water could be had from the Hetch Hetchy people, as the present water is not up to the standard in quality. The following claims were allowed by the city board of trustees at the meeting of October 2:

THE SEQUOIA BOYS WIN FROM SANTA CLARA

The Sequoia High School football team defeated the Santa Clara high yesterday by a score of 14 to 0. The game was played on the local field. The Sequoia team has not been playing up to the standard, but yesterday's game showed signs of improvement, and probably will later win back some of the laurels which were temporarily lost.

REDWOOD CITY IS RAPIDLY FORGING TO THE FRONT

With the completion of the several concrete bridges, the fire house and sewer system Redwood City can take its place among the foremost towns in this section of the state. A new factory will soon start near town giving employment to a large number of men, the new Pratt-Low cannery will open next month when a small army of ladies will be employed packing vegetables. The municipal wharf which has been abandoned for the present may be reopened at a future date which will add to the progress of the city.

A payroll is what makes a city and Redwood bids fair to be one of the best manufacturing cities on the bay. We have the land and transportation facilities both rail and water. Most of the streets are paved and in good condition, the homes are neat and well kept. Our schools are the best, and with the completion of the new high school in the Pissis park Redwood City can claim one of the finest high school sites in the state.

Redwood City enjoys a beautiful setting. From the green terraced hills west of the city one may enjoy a magnificent view of the bay and surrounding valleys.

Fall models for women that express what is most fashionable in Footwear

The style headlines for Fall wear are the new Oxfords. Autumnal browns are in the limelight, with no small amount of rich black calfskin as well. The latest arrivals are a trifle heavier than heretofore, in two general models, one emphasizing the brogue effect, and the other showing a Blucher pattern. The medium and low military heels prepare the way for good walking comfort.

A Message to Wage-Earners

History proves that the market for labor rises and falls like the mercury in the thermometer. The law of supply and demand invariably governs the earning power of the worker.

Every wage-earner or salaried person should provide now for the reduction in pay that will inevitably follow the already decreasing demand for supplies—particularly luxuries.

Overstocked markets in many lines of industry point to the handwriting on the wall—"save or be sorry."

Follow the lead of our 210,000 depositors—save and HAVE.

SO PLEASED WITH GAS HEATING HE WANTED US TO KNOW ABOUT IT

In an unsolicited letter to this Company, an old and valued customer tells of the satisfaction derived from

THE RECTOR SYSTEM OF GAS HEATING

Installed in his home about a year ago. His bills for the seven months of the heating season totalled \$1.19. Of this amount he allows, from experience, \$3.00 a month for the cooking, or a total of \$21.00. His gas heating expense, then, averaged only \$5.75 a month. This, in part, is what he says:

"We had all the heat we desired, in fact, my wife charged me with extravagance in the use of the radiators. We were able to have heat in any or as many rooms as we desired during the coldest weather and in sickness we kept the system running night and day and had a warm house to live in for comfort and health."

"We are very much pleased with the results and glad that we had it installed, though at first I was afraid of running up large gas bills. However, we are willing to pay extra for the cleanliness and saving of other work in heating our house. There are no burnt gas odors, as these are drawn out through the system and discharged in the open outside air."

"This letter is entirely unsolicited by you and you may use it if you wish. You can verify my gas bills by your own books." The complete letter and name of the writer will be furnished if anyone is interested.

ARTHUR M. FREE
FREE FOR CONGRESS

The numerous friends of Arthur M. Free, Republican candidate for congress in this district, who gave him such a splendid majority in the primary election, will be glad to learn that San Mateo county is by no means the only portion of the eighth congressional district where Mr. Free's forceful and pleasing personality have gained for him the confidence and support of practically everyone who has heard him speak.

Ray Hicks and E. A. Emmons, who are in charge of the publicity and advertising features of the Free for congress campaign, were in San Mateo yesterday and reported that indications are that Free will be a big winner in every county in the district throughout which he is now engaged in making an active personal campaign.

Emmons, who has taken an active part in every campaign since 1896, says that the only discouraging feature of the present contest is the difficulty of finding anyone with whom to argue, as nine people out of ten tell him they are for Free before he even gets a chance to tell them why they ought to be.

The needlessness of the profit tears we are made to shed by the profiteers is being expounded by our Republican congressional candidate with a clarity which leaves no room for a doubt in the minds of his auditors that the wasteful policy of the present administration is unquestionably responsible to a great extent for the existing era of high prices without a precedent and the logical conclusion that a change of administration is the only remedy is so obvious that Mr. Free's clean cut policy of sensible retrenchment as expressed in his addresses is winning him universal support.

SINGLE TAXERS PLAN FARM CONFISCATION

Single Tax, four times beaten in California, is on the ballot again this year.

It proposes to exempt from taxation nearly FIVE BILLION DOLLARS' WORTH of public utility and corporation franchises and securities, personal property, improvements and buildings, including all city structures, and to add the tax on this huge sum to the tax burden the land already bears. What Single Tax would do to the farmer is best told in the words of its creator, Henry George. He says in his book, "Progress and Poverty," which is the bible of the Single Taxers:

"Let the individuals who now hold it still retain, if they want to, possession of what they are pleased to call THEIR land. . . . Let them continue to call it THEIR land. . . . We may safely leave them the shell if we take the kernel. IT IS NOT NECESSARY TO CONFISCATE LAND; IT IS ONLY NECESSARY TO CONFISCATE RENT."

This vicious proposal has menaced the farmers of California since 1912. Every two years this plan to make their farms valueless has been on the ballot.

Every two years it has cost \$50,000 to defeat it.

If it is not defeated this year, every farmer faces bankruptcy.

It is vital to the farmer to destroy this menace to his prosperity. He can do this by voting for Amendment 4 which will keep the measure off the ballot in following years unless 25 per cent of the voters are willing to vote on it again.

Why let a handful of agitators and radicals force this pernicious plan on the ballot every election?

Vote NO on Amendment 20
Vote YES on Amendment 4

\$30,000,000—COX

GOVERNOR JAMES M. COX.

From a photograph taken at Seattle, Wash., during the Democratic Candidate's recent visit to the Pacific Coast.

JIMMY'S COAT.

Take a slant at Jimmy's coat.
Tiger-striped, as you will note;
Morpheusque in lines and hue,
Taggart-like in motif too.

How can he proclaim he's dry
With this garb to shock the eye?
Tailors wouldn't dare to put
Such a thing on "Fussyfoot."

Jimmy's raiment harks us back
To the festive racing track.
Can't you hear the "bookies" shout
And the whispers of the tout?

Needn't tell us where he's at—
Wet or dry—his coat tells that.
Bryan took one slant at it,
Then his heart curled up and quit.

—CARLTON FITCHETT.

Cox Wiggles and Wobbles.

BY SCOTT C. BONE.

Candidate Cox, recklessly charging that the Republican party had set out to corrupt the electorate by raising a fund of \$15,000,000 with which to "buy the presidency," has been utterly confuted by the facts. Instead, it has been completely established that the goal fixed by Chairman Hays was only one-fifth that amount, or \$3,000,000, with contributions rigidly limited to \$1,000, and that never before has a campaign fund been so free from the taint of corporate, sinister or sordid influences. That an overtaxed, overburdened and weary country, paying the cost of incompetence, incapacity and extravagance in governmental affairs and maladministration at Washington, would welcome relief at any price legitimately expended may be taken for granted. But only in the wild dreams of Candidate Cox—who stands committed to Wilsonism and the wastefulness of Wilsonism, with everything that Wilsonism typifies and implies—has any such expenditure as Candidate Cox charged ever been remotely conceived or for a moment contemplated.

Even his foremost newspaper champions—organs of the international banking crowd which favor his candidacy because, with equal rashness, he promises that if elected he will go into the Wilson League of Nations—editorially admit that his slush fund charges have proven groundless. Candidate Cox's credibility as a witness has similarly been damaged by the wet and dry issue confronting him.

To the indisputable proof that the New Jersey Liquor Dealers' Association is appealing for funds to elect him as a "pronounced wet" he replies that the liquor interests of Ohio never contributed to any of his campaigns.

Yet a sworn statement, signed by the secretary of the Ohio Liquor Dealers' Association and on file in the secretary of state's office, shows that that organization contributed a substantial sum out of its treasury to the Cox campaign of 1910.

And in the face of it all, having withstood for months, in silence, William Jennings Bryan's denunciations of him as a "wet" and unfit to run for president, Candidate Cox, with characteristic audacity, now assures a North Dakota crowd that "I have always voted dry."

Imagine Boss Murphy, Boss Taggart, Boss Brennan and that Youngstown Apostle of Light and Uplift, Ed Moore, contriving the nomination at San Francisco of a candidate who had "always voted dry!" Imagine it, if you can!

Shade of John Barleycorn! What a spectacle is presented in American politics!

OLD AND NEW COX SLOGANS.

Washington. — The following interesting interview with Governor James M. Cox of Ohio was published in the hotel column of the Washington Post four years ago—viz, on July 29, 1916:

"Ohio is not the only state where the people are shouting the praises of the President for having preserved peace in the United States. Our honor has remained unsullied. The slogan 'He Kept Us Out of War' will be the most effective argument the Democrats can use in the campaign. Americanism has been pre-empted by the President, and every other problem of national import has been met squarely and satisfactorily."

This tends to show the caliber of Governor Cox. With him it is anything to win, any sort of a catch phrase, slogan or anything to deceive or fool the people.

Samson showed how strong he was by pulling down the pillars of the temple. Amendment 13, if passed, will pull down the pillars of your husband's business—but remember what happened to Samson in the wreck, and vote NO!

"X" marks the spot—where the financial stability of your family will be destroyed or preserved. Put the X in the space marked NO, next to Amendment 13.

Amendment 13 will cut your husband's business credit in half. Better vote against it.

Words like "men's rights" and "women's rights" are of very little consequence when "family welfare," and "financial safety" come up stage. Vote NO on Amendment 13.

Do you want to share your business with your partner's wife's heirs, while your partner is still alive? That's what Amendment 13 would make possible. Vote NO!
